

## **Doggy Cake**

1 cup Wholemeal flour  
1 large Egg  
½ cup Milk  
Grated mild cheese  
1 tin Corned Beef  
1 clove Garlic (optional)

Mix all the ingredients together in a bowl until nice and gooey, put a thin layer in a container and micro wave for 3 –5 min or until it changes to a dark colour. Leave to cool and cut into little cubes....if you make too much don't worry you can freeze it.
